

# Sylvania

TRANSMITTING TUBES  
PHOTOTUBES  
INDUSTRIAL POWER TUBES

*Precision — Performance — Endurance*

PRICES EFFECTIVE JANUARY 1, 1934

AIR COOLED VACUUM TUBES			WATER COOLED VACUUM TUBES		
102D	Triode voltage amplifier	\$ 7.00	207	Water-cooled oscillator and R.F. amplifier	\$350.00
203A*	Oscillator and radio frequency amplifier	17.50	820B	Water-cooled oscillator and R.F. amplifier	187.00
204A*	Triode oscillator and R.F. amplifier	97.50	846	High frequency water-cooled oscillator	300.00
205D*	Oscillator, Modulator, R.F. & A.F. amplifier	7.00	858	Water-cooled oscillator and R. F. amplifier	500.00
210*	Triode oscillator and amplifier	4.75	863	Water-cooled oscillator and R.F. amplifier	350.00
211*	Oscillator, Modulator, R. F. & A. F. amplifier	17.50	RECTIFIERS		
211B*	Special 211 for high frequency applications	19.00	217A*	Half-wave, high vacuum thermionic rectifier	20.00
211C*	Low interelectrode-capacity type 211	17.50	217C*	Half-wave, high vacuum thermionic rectifier	20.00
212D*	R. F. and A. F. amplifier	75.00	866*	Half-wave mercury vapor rectifier	5.00
242A*	Modulator and A. F. amplifier	17.50	866A*	Shielded filament, high voltage type 866	9.00
264A	Non-microphonic A. F. amplifier	2.50	872*	Half-wave mercury vapor rectifier	16.50
264B	Non-Microphonic A. F. amplifier	2.50	872A*	Shielded filament, high voltage type 872	18.50
276A*	Oscillator, Modulator, R. F. & A. F. amplifier	17.50	869*	Half-wave mercury vapor rectifier	168.00
282A*	Screen grid oscillator and R. F. amplifier	31.00	869A*	Shielded filament, mercury vapor rectifier	168.00
825*	High frequency oscillator and amplifier	10.00	GRID CONTROLLED RECTIFIERS		
830*	Oscillator, Modulator, R. F. & A. F. amplifier	8.75	867*	Grid controlled mercury vapor rectifier	20.00
830A*	Class A audio frequency amplifier	10.00	873*	Grid controlled mercury vapor rectifier	25.00
830B*	Class B audio frequency amplifier	10.00	PHOTOTUBES		
831*	High frequency oscillator & R.F. amplifier	265.00	803A	Theater and industrial type Phototube	10.00
841*	Oscillator and voltage amplifier	7.50	814A	General purpose and theater type Phototube	7.50
842*	Audio frequency power amplifier	7.50	868	General purpose and theater type Phototube	5.65
843*	Heater type A. F. and R..F. amplifier	12.50	ACCESSORIES		
844*	Screen grid oscillator, amplifier and modulator	18.00	Water Jacket for 820B		25.00
845*	Audio frequency amplifier and modulator	20.00	Water Jacket for 846		75.00
849*	Oscillator, mod. R. F. and A. F. amplifier	160.00	Water Jacket for 207 and 863		90.00
850*	Screen grid oscillator and R. F. amplifier	37.50			
851*	High power general purpose triode	350.00			
852*	High frequency oscillator and R. F. amplifier	23.80			
860*	Screen grid oscillator and R. F. amplifier	35.00			
861*	Screen grid oscillator and R. F. amplifier	295.00			
865*	Screen grid oscillator and amplifier	12.75			

\*Employs exclusive Sylvania graphite anode construction.

Prices F. O. B. Factory or Territorial Warehouse.
